

1.

Nice to meet you, I'm Dr. Kind.

Hi.

We want to draw your blood.

2.

What does  
that mean? Do I  
have to do this?  
Will it hurt?

These are  
great questions.  
Let's talk  
about what will  
happen.

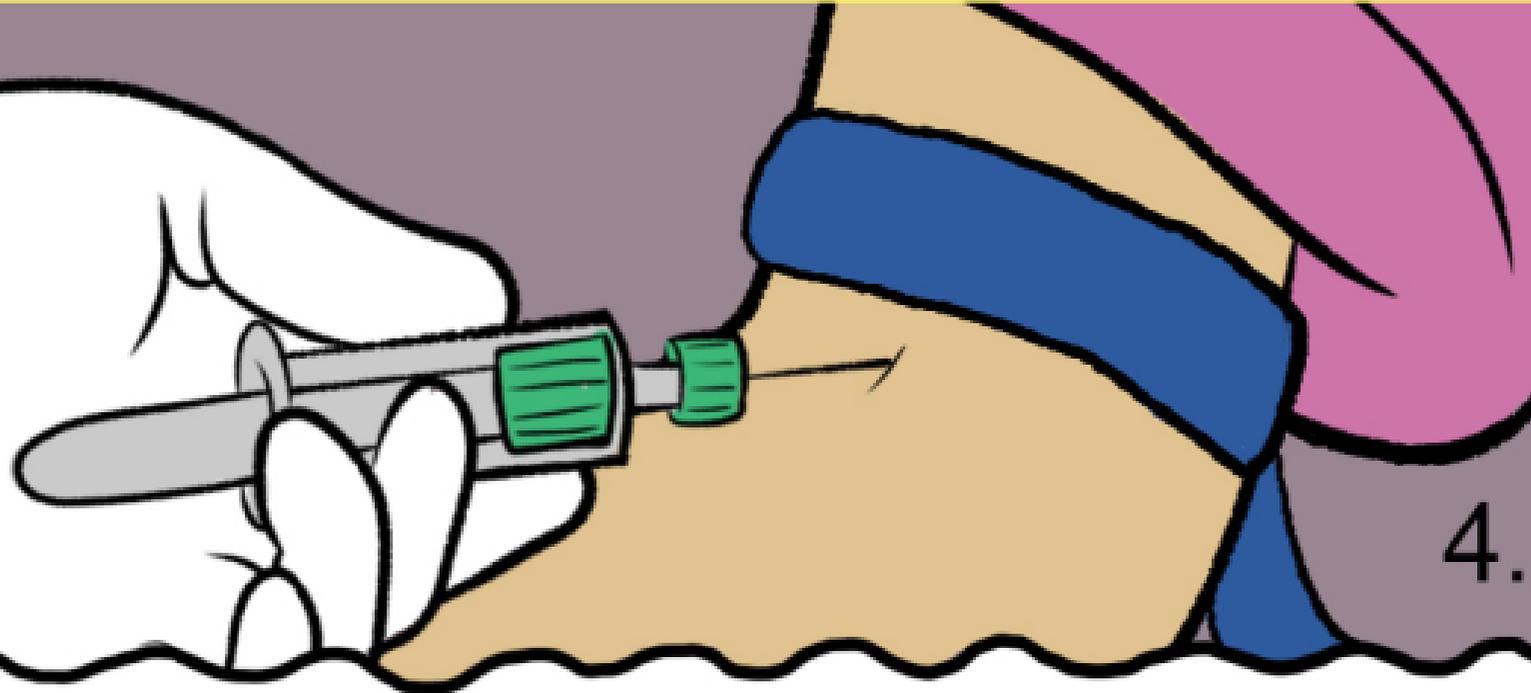

First they will clean your skin.  
It might be cold.

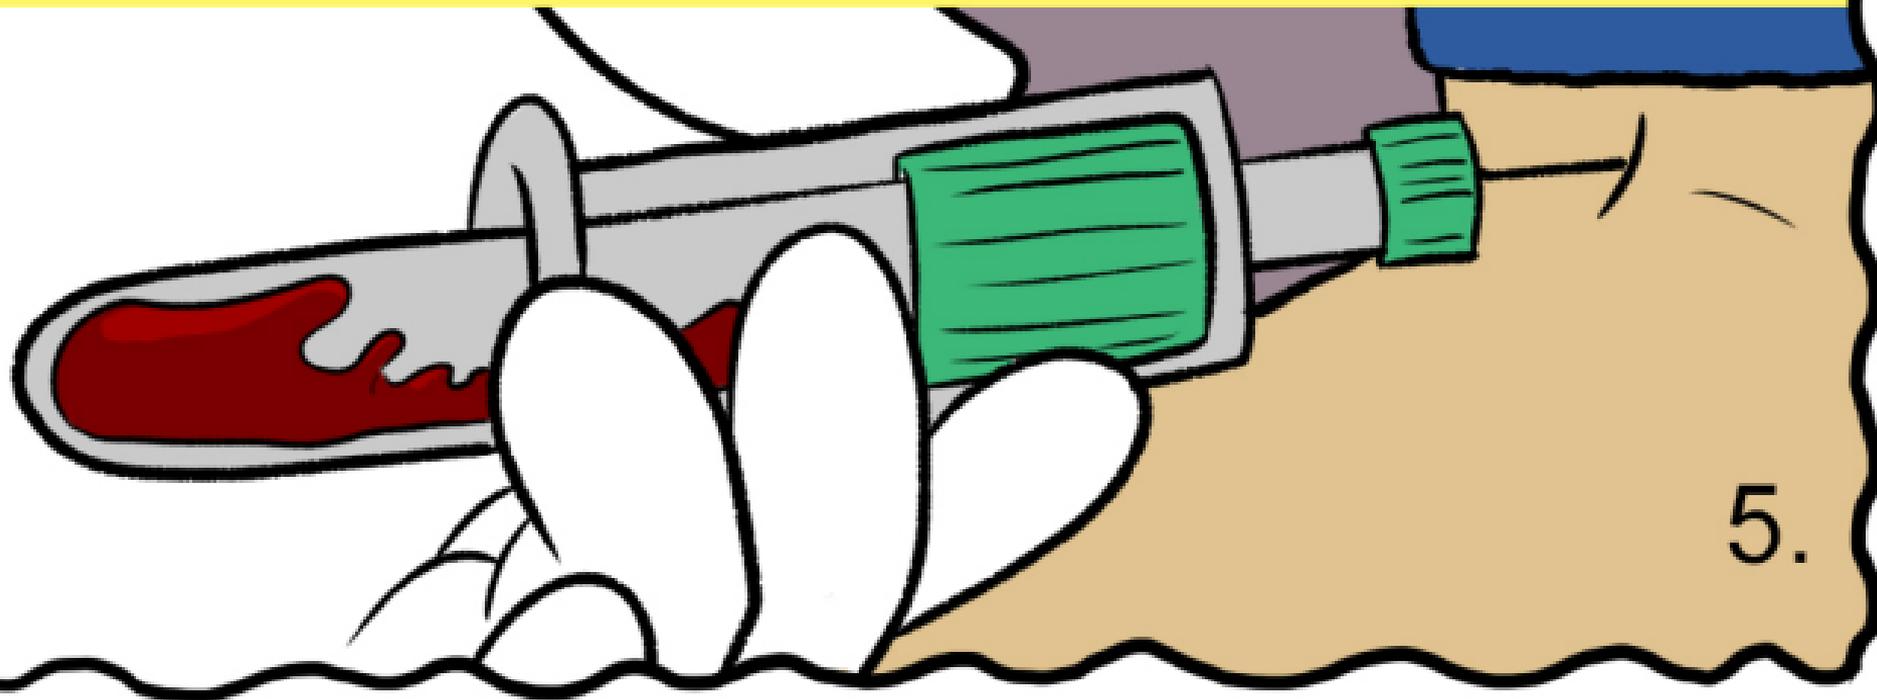

3.

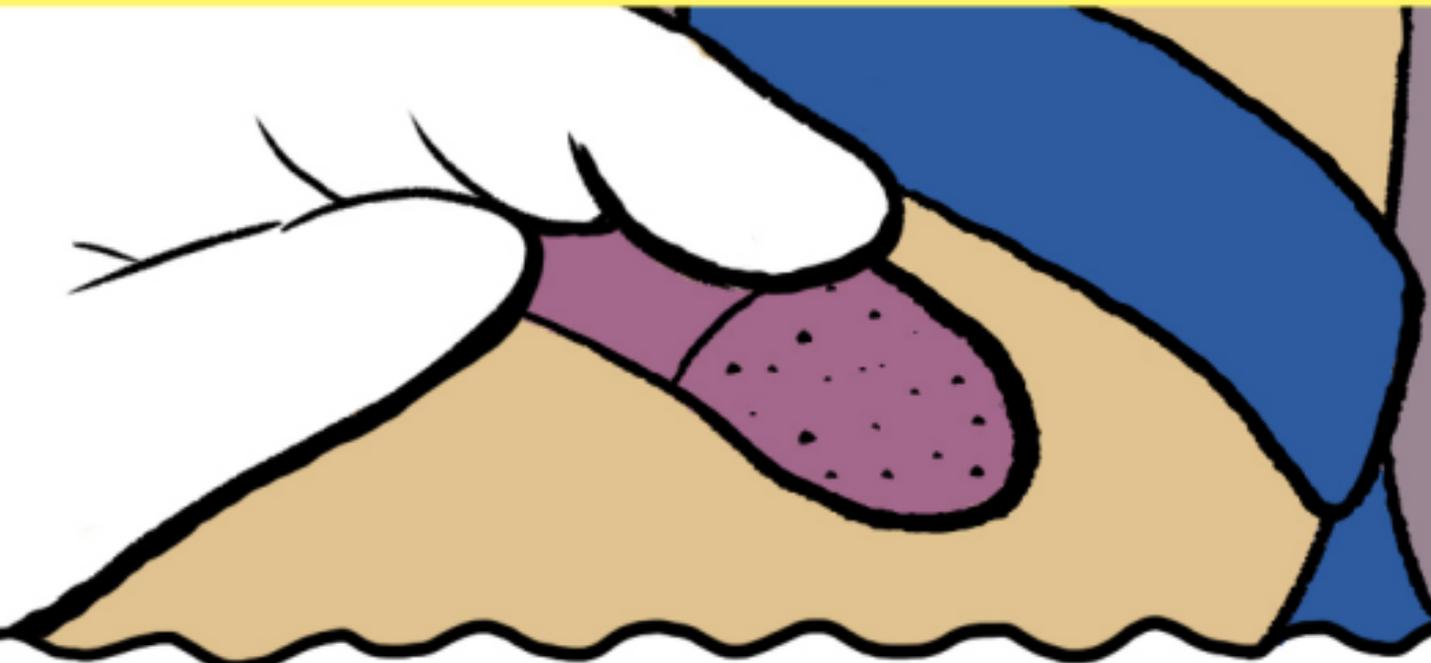

Insert needle

Draw blood

Remove needle

6.

Questions you can ask your doctor.

7.

Why do I need to do this?

Let's talk about the risks and benefits.

Can  
someone be  
there with  
me?

8.

9.

Yes,  
you can  
bring someone  
with you if  
you like.

Now that we've talked about this, are you comfortable doing it?

I think so, but I'd like to talk about it with someone first.

Later at home...

11.

The doctor  
wants to take  
my blood.

How do  
you feel  
about it?

Let's  
talk.

Do you  
want me to go  
with you?

12.

Hello,  
I'd like to make  
an appointment  
to get blood  
drawn

Do I need to  
do anything  
before I come?
