

Before the appointment...

You have a dentist appointment next week. What would you like to tell them?

During the appointment...

What's your name?

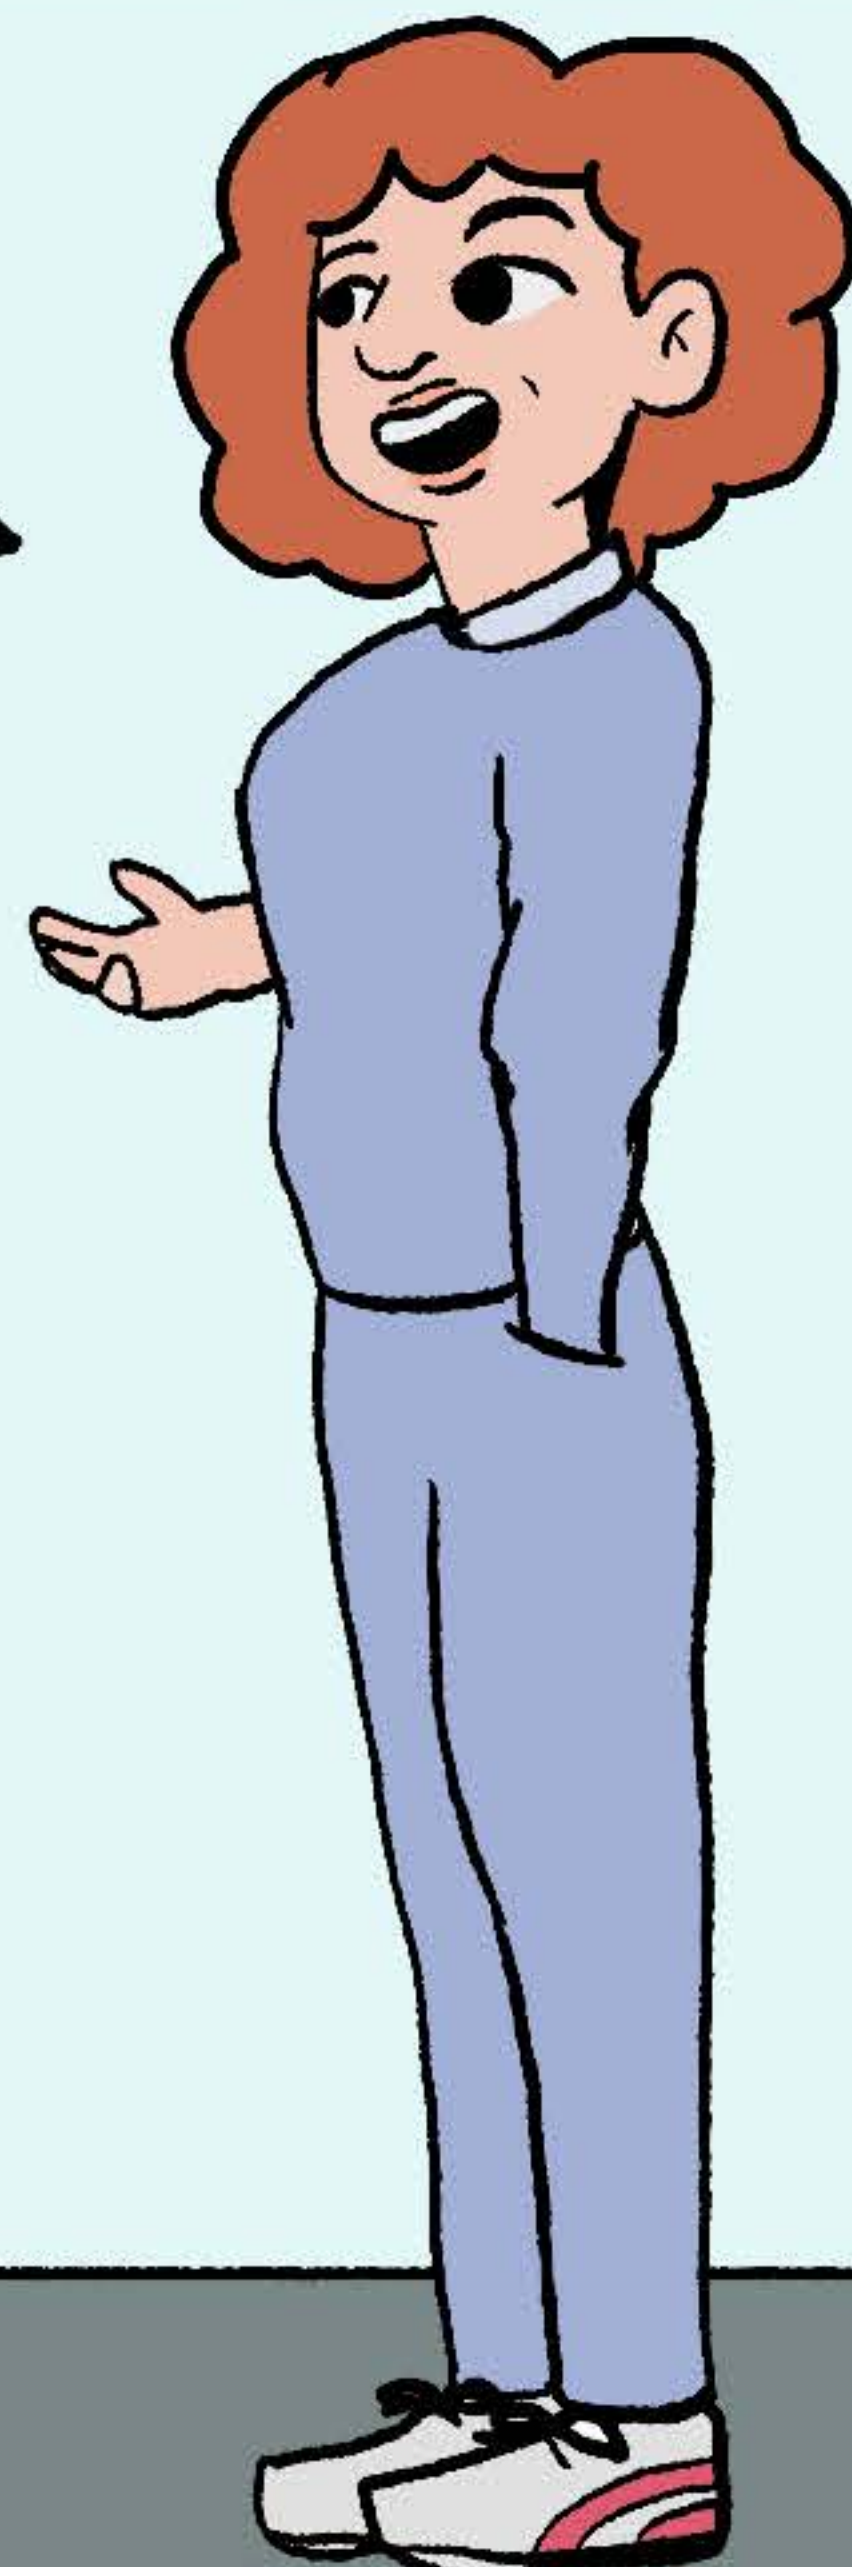

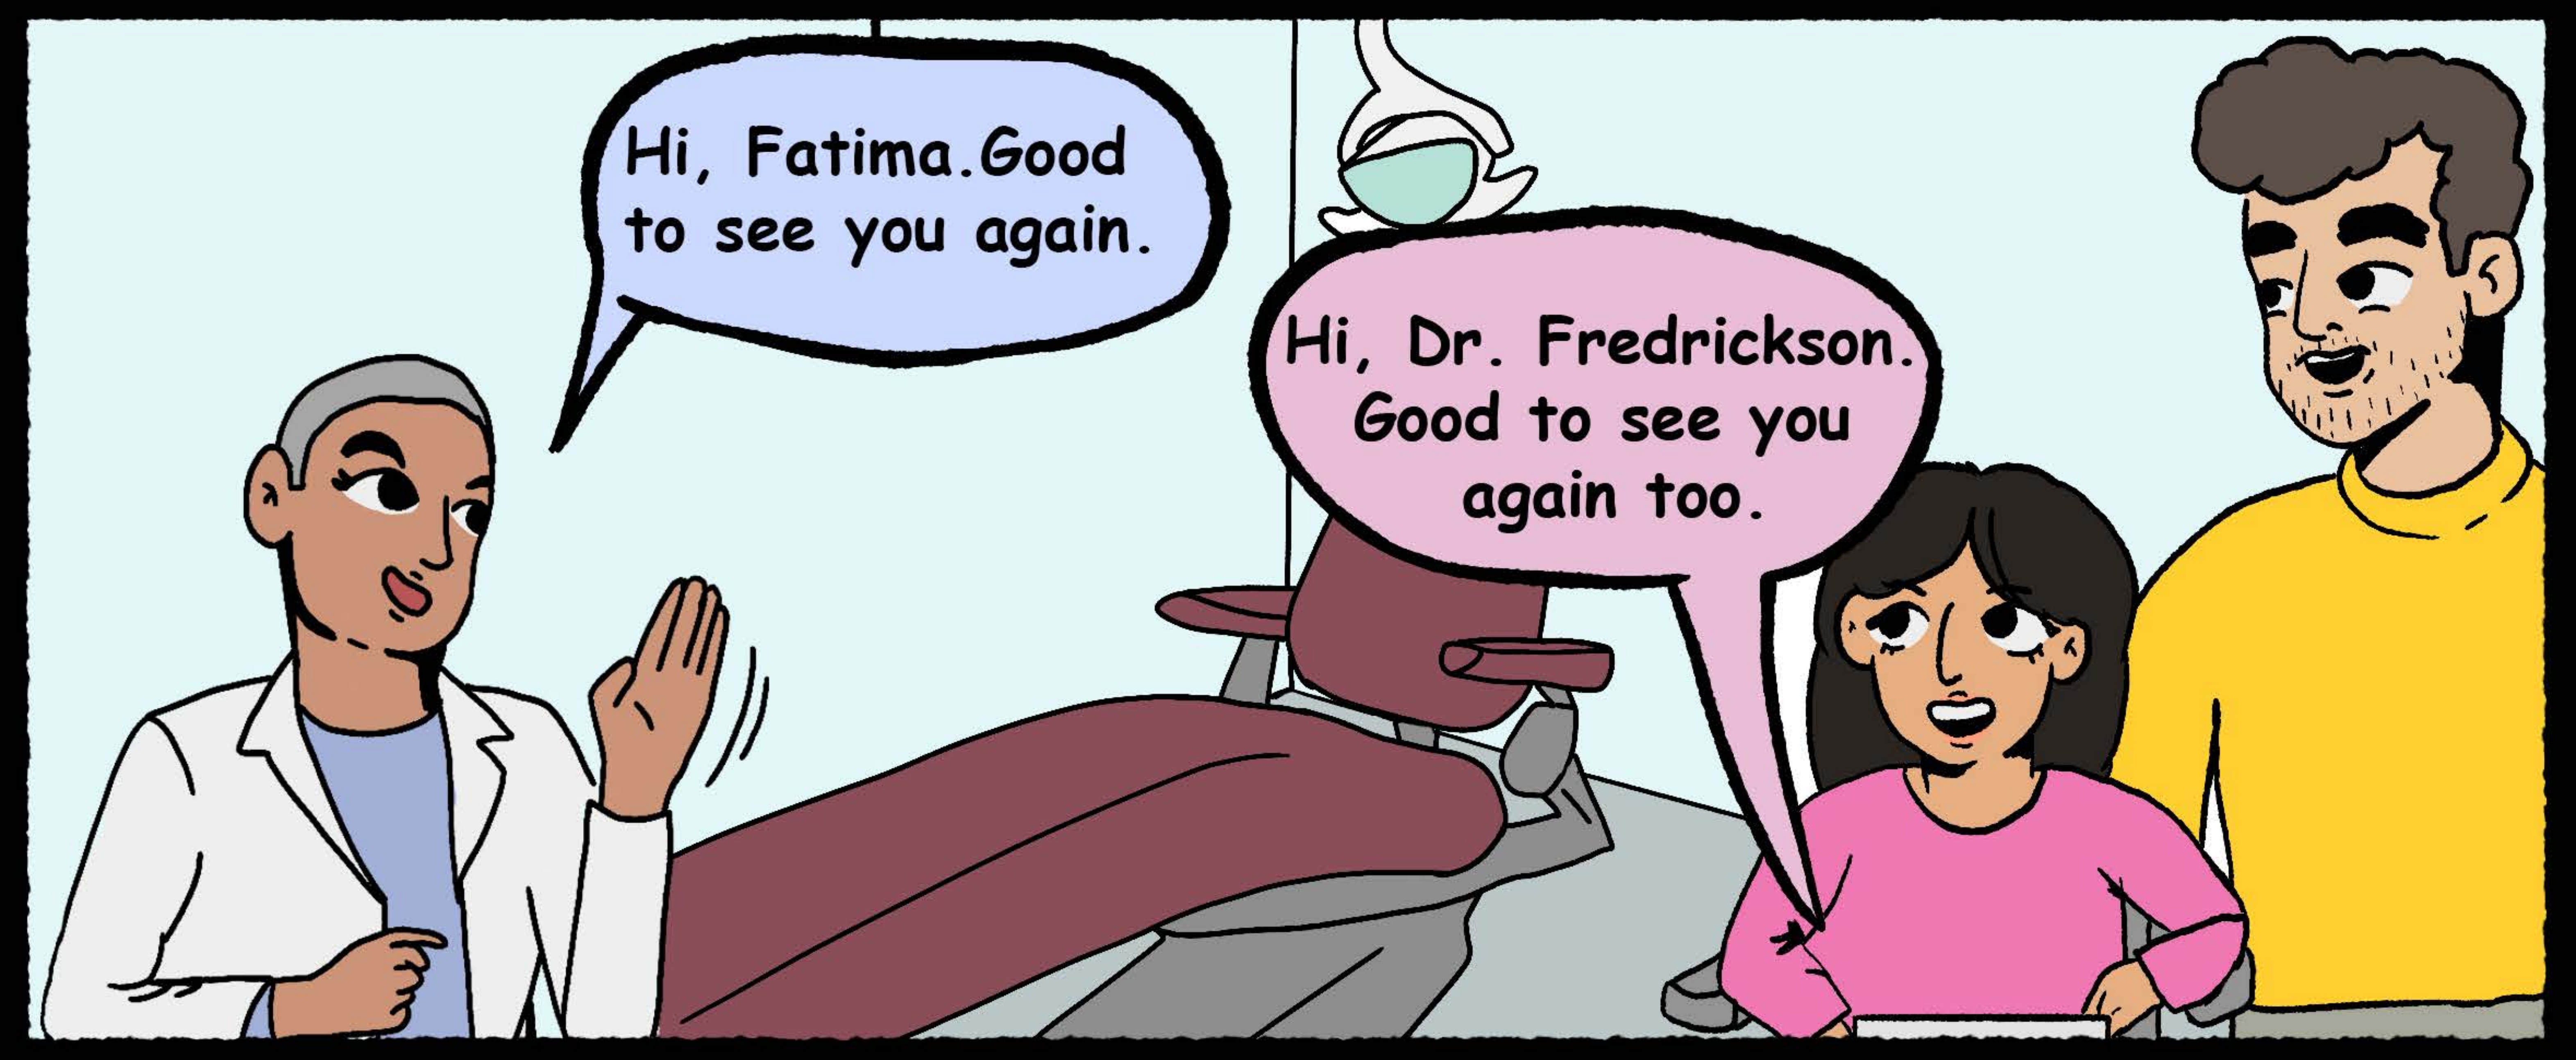

My name is Fatima.

You are now checked-in.
Someone will call your name
shortly. Please wait here.

Fatima you can
come on back.

Hi, Fatima. Good to see you again.

Hi, Dr. Fredrickson.
Good to see you
again too.

You can transfer into the regular dental chair or...

you can stay in your own chair and place it in a reclined position.

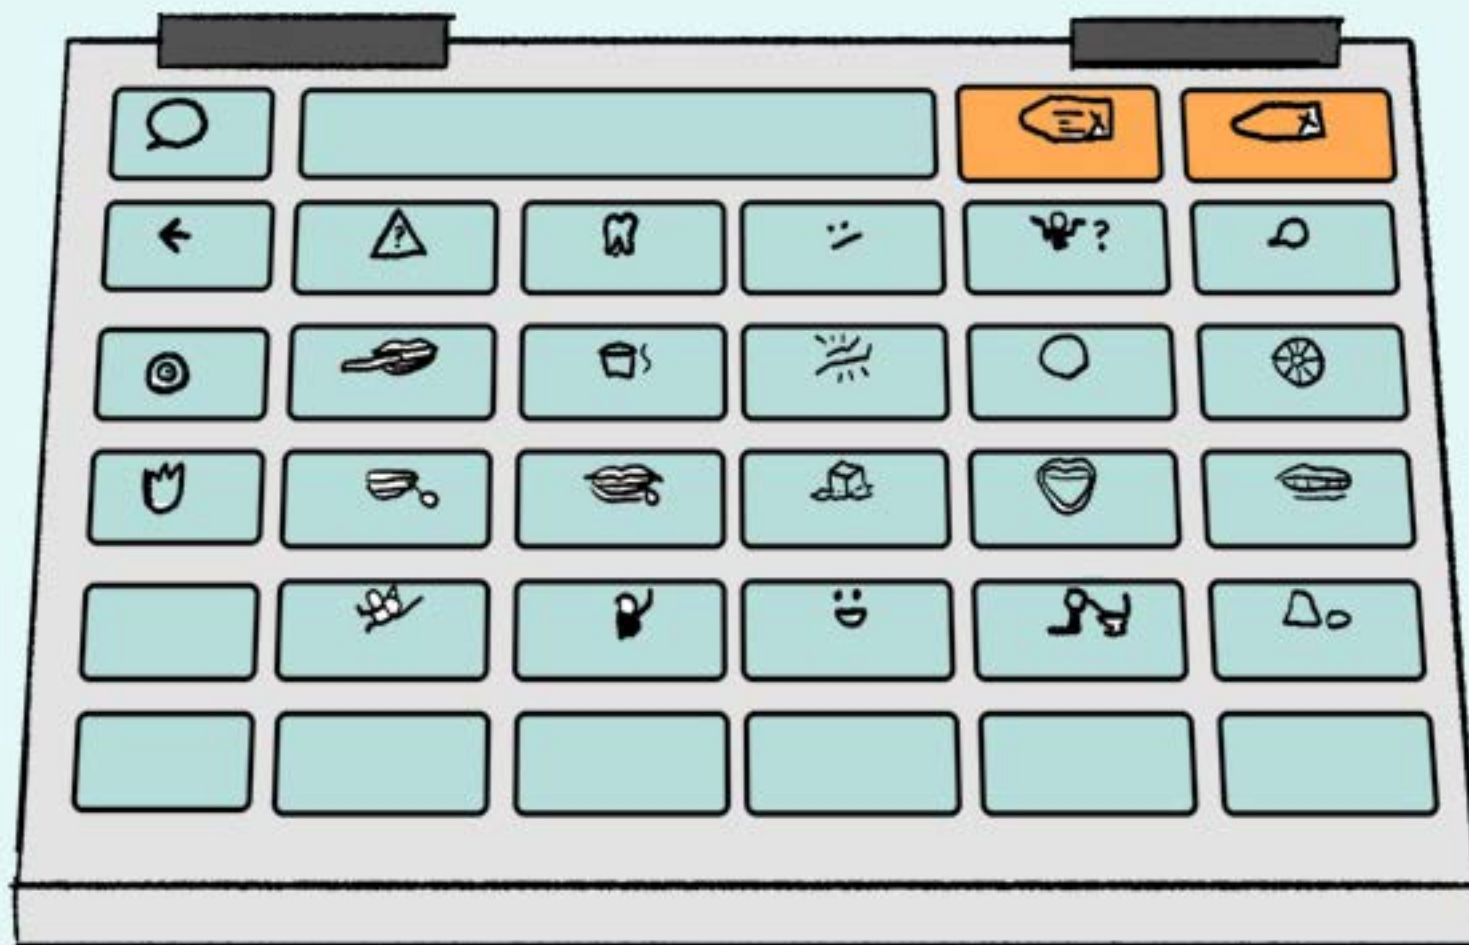

See step-by-step cards

Here's what
we will be doing.

Give patient time to respond

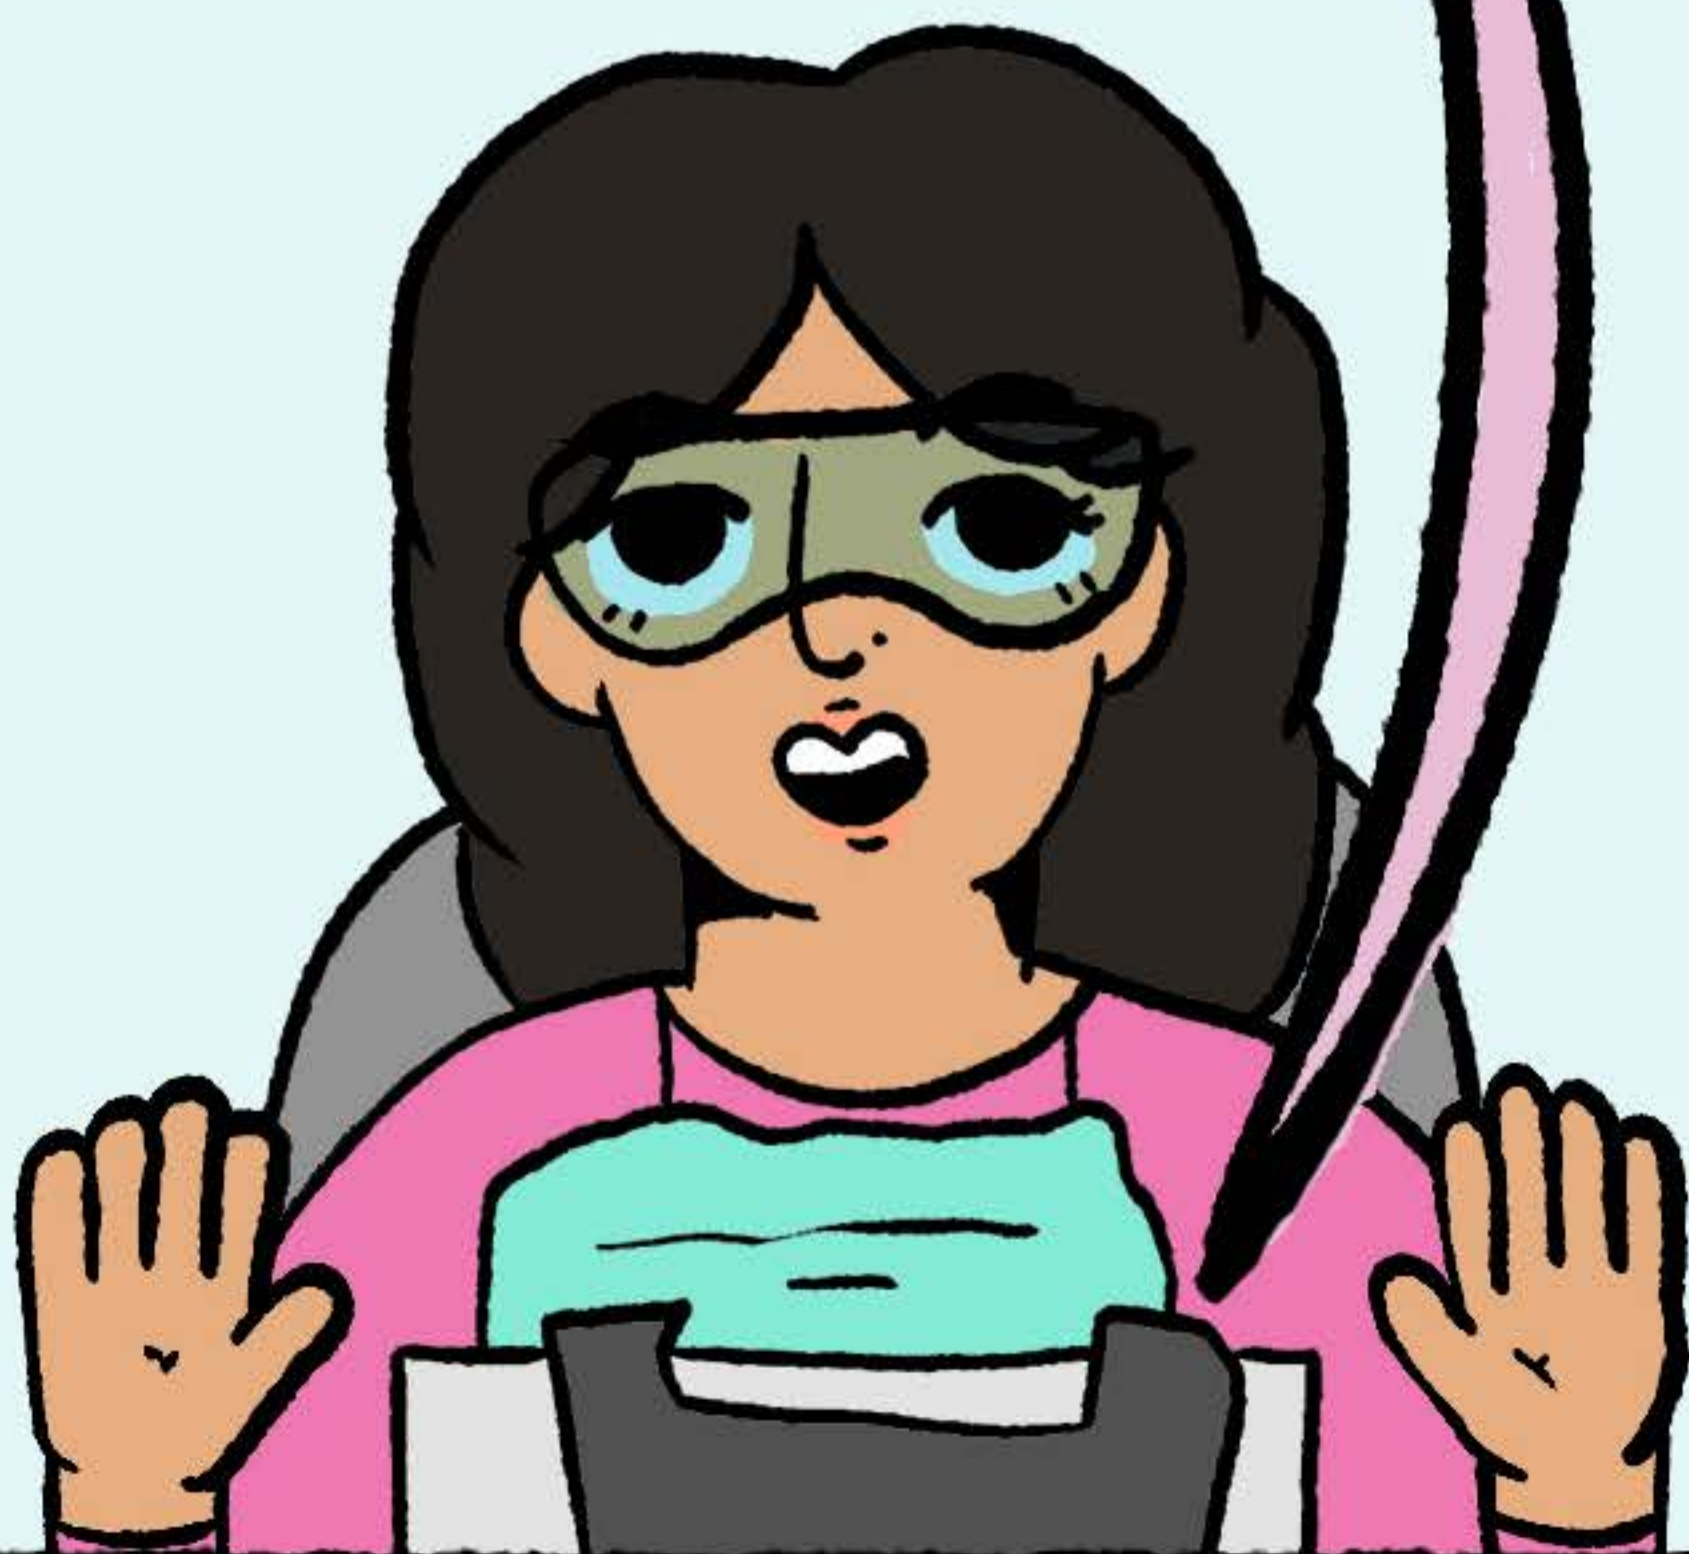

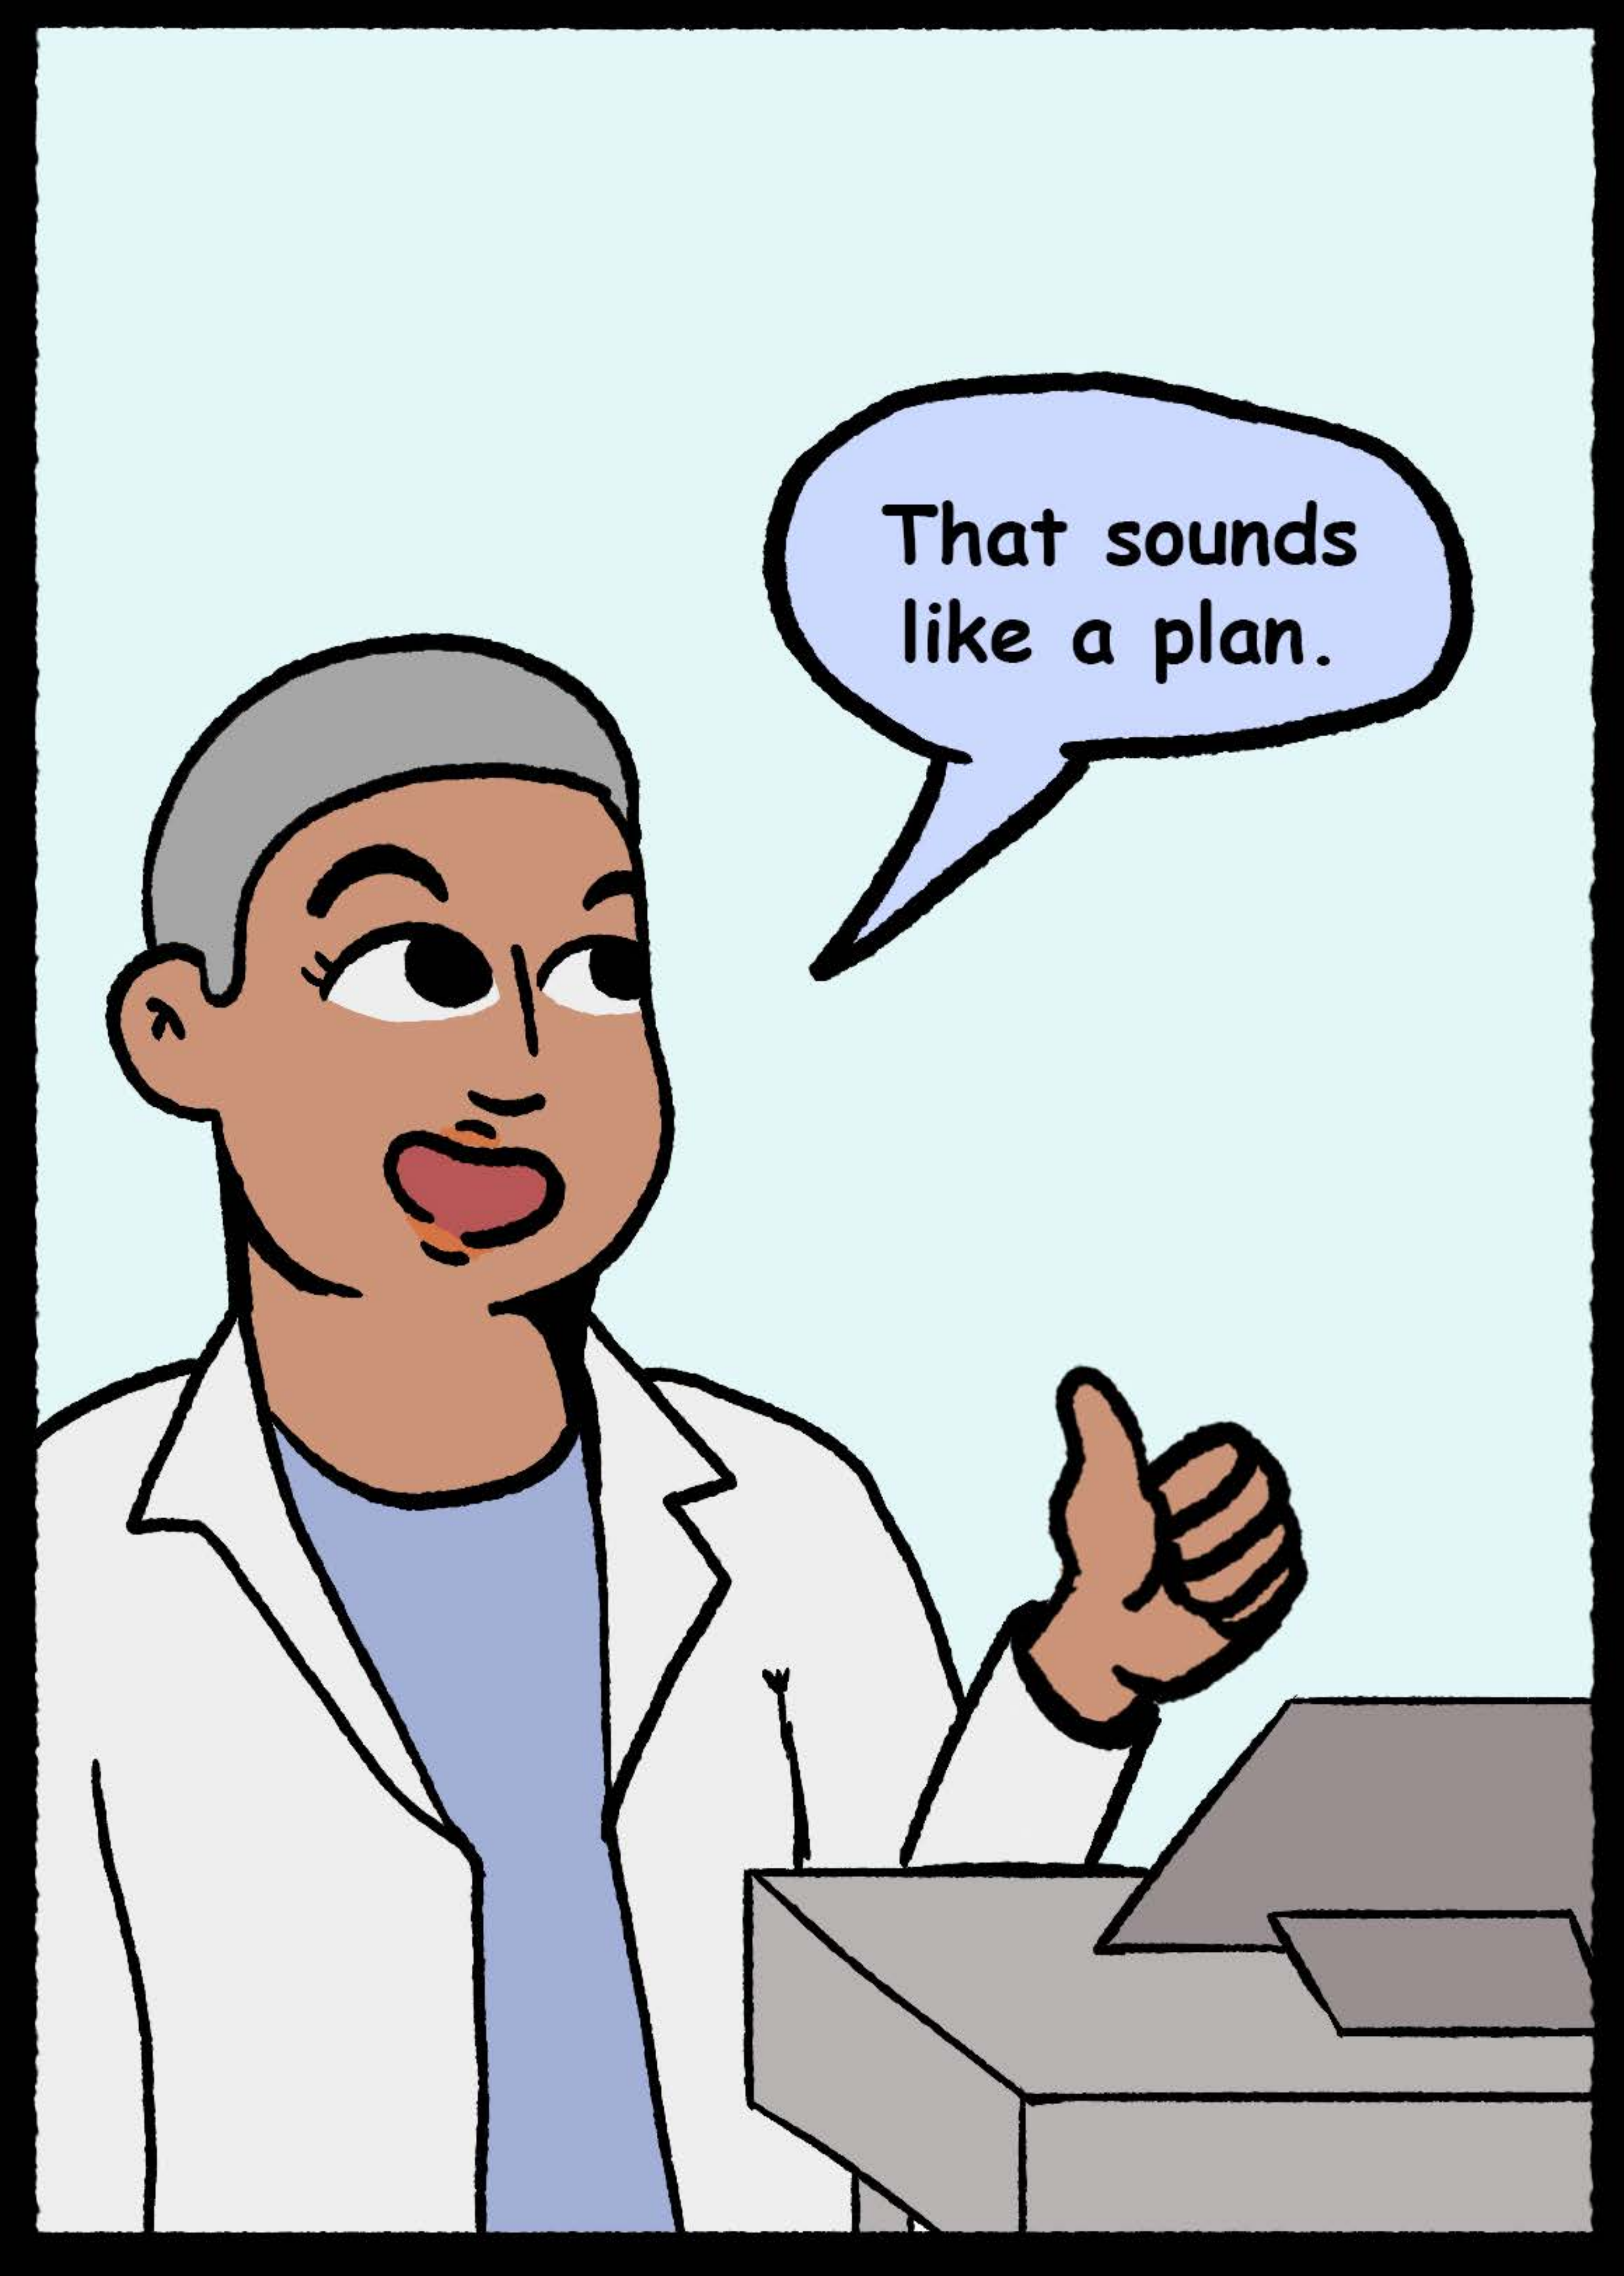

Okay, thanks.
Just let me know when
we are moving to the
next step.

Agree on signals
before proceeding.

Here's how I'll
let you know if I have
an issue.

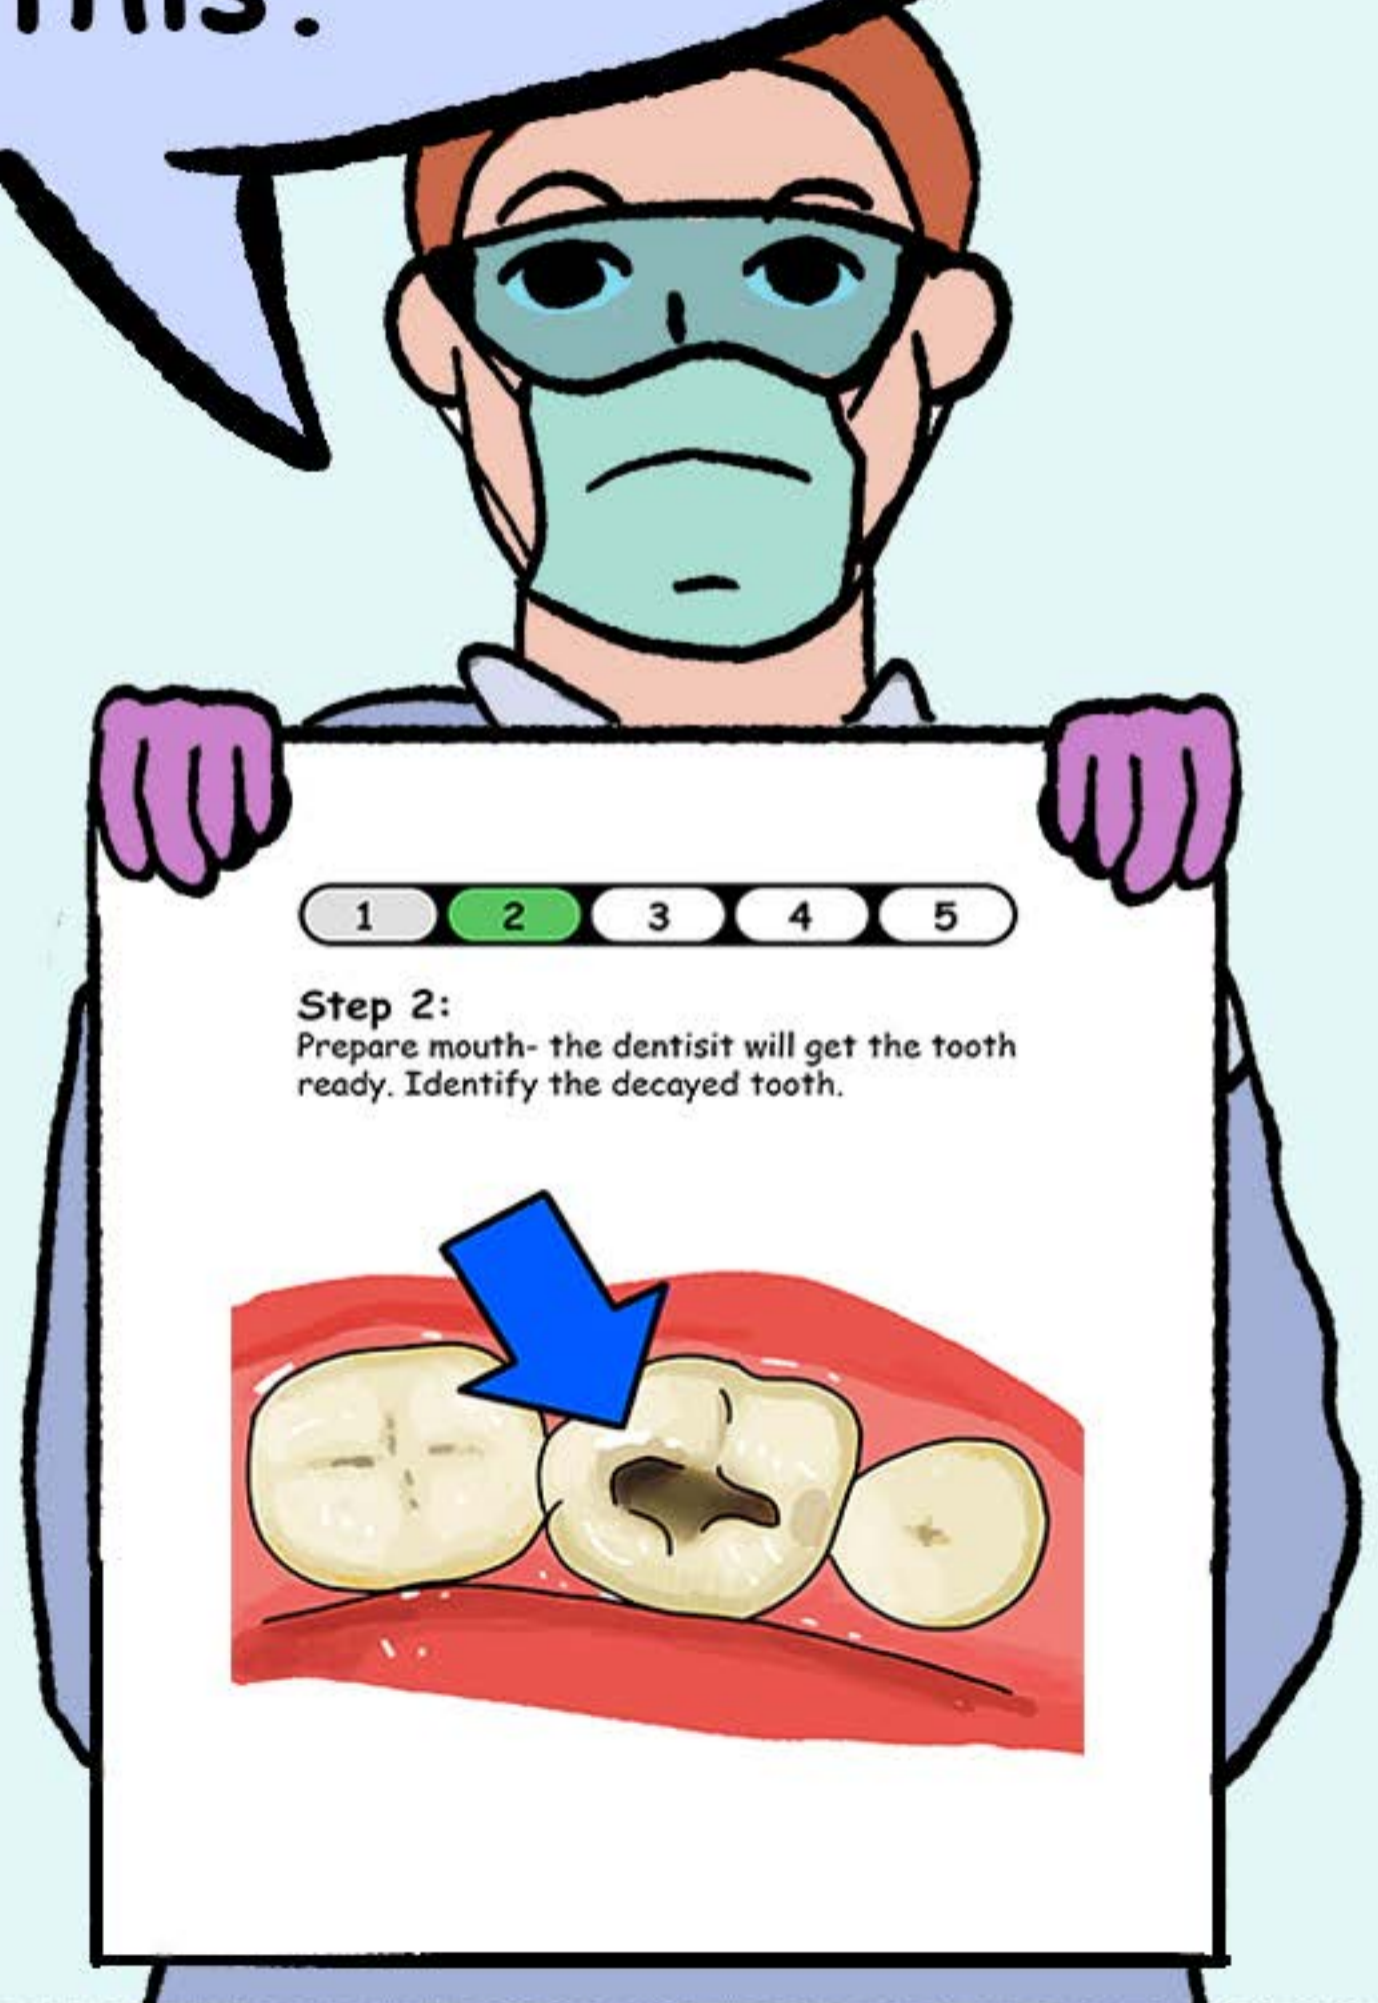

That sounds like a plan.

Do you want me to
move your device, or do you want
to keep it?

Please put it in a safe space.

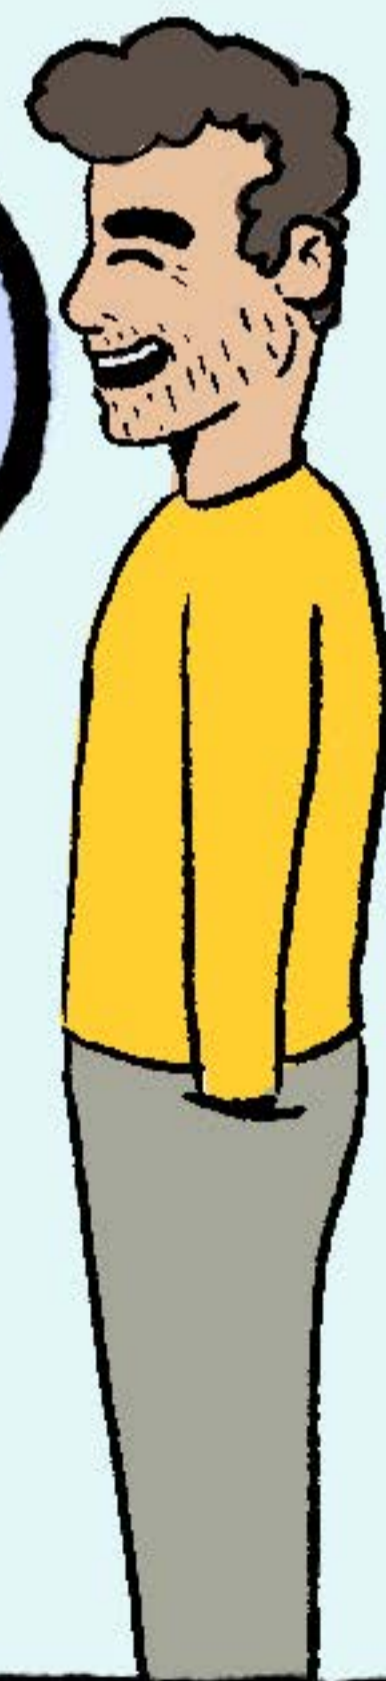

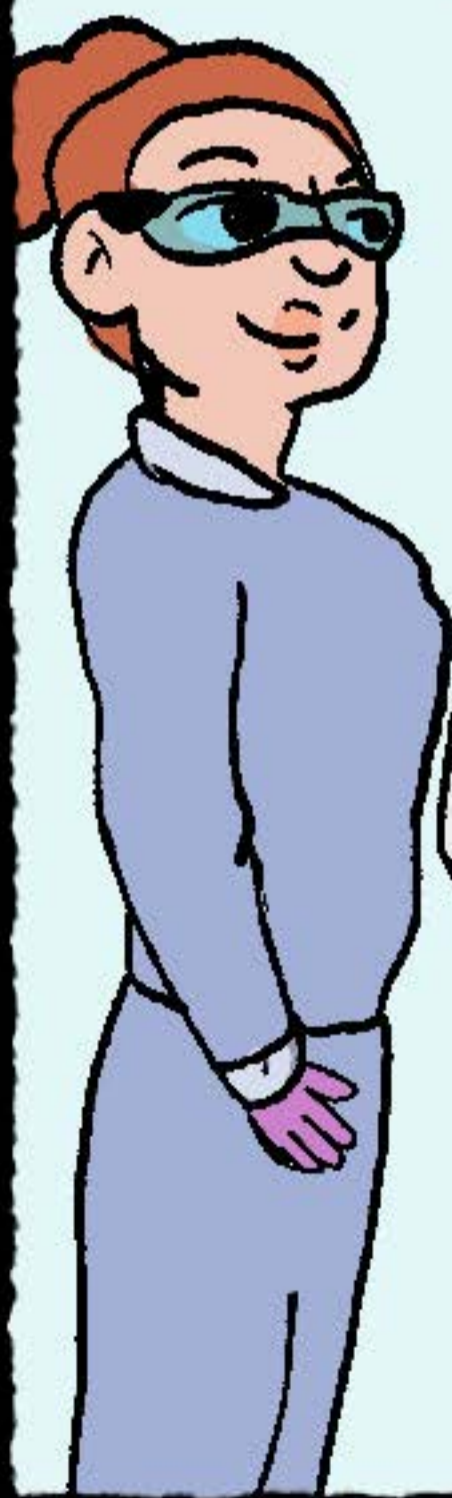

Okay, now we are going to move to step 2. Three more to go after this.

After the appointment...

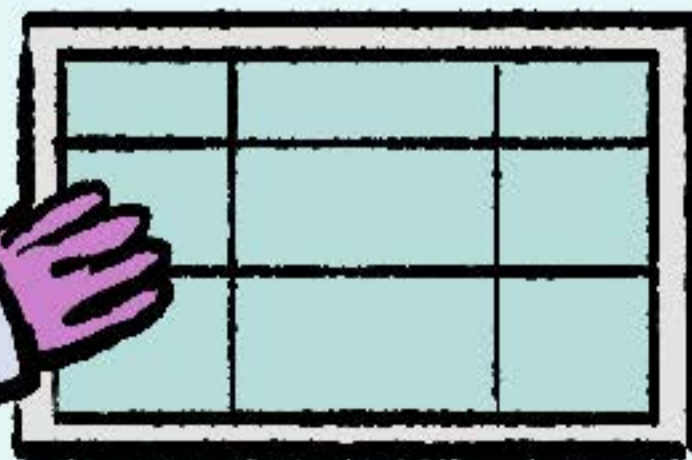

Here's what
you'll need to do
when you get home.

Contact me if you
have any concerns.

Don't forget
your device!

Does this time work for your next appointment?

Yes, thank you.
